## Resume

Voted "Best European Boat" in 2013 for its seaworthiness and comfort, the RM 1260 is an ideal boat for both offshore and coastal sailing. Its CP/epoxy construction makes it a comfortable, safe and efficient boat. The single rudder keel version, with its reasonable draught, allows access to ports and anchorages of Southern Brittany coast and islands. The beaching is very simple and offers an infinite number of possibilities of peaceful stopovers.

A large cockpit welcomes the crew to share the pleasure of sailing and stopovers.

The saloon is spacious, bright and offers a panoramic view that is much appreciated for monitoring sails and the boat's environment. She has 3 cabins and 8 berths in all.

You will be seduced by her performance and comfort.
