## Resume

The Sun Odyssey 42DS offers a modern, fluid design, a rare timeless elegance and a comfortable interior layout worthy of the finest cruising yachts, with performance to boot. The powerful hull is as impressive for its performance as it is easy to manoeuvre, thanks to reinforced hull studies and a highly intelligent sail plan. The moderate draught of 1.6 m means you can anchor in the most beautiful places without worry. Inside, you'll be seduced by its space and light. The main saloon, with its panoramic deckhouse and large portholes, offers an abundance of light and ventilation. The boat has 2 cabins, including a very large owner's cabin aft under the cockpit.
