Resume

The RM 1070 it's a great success of RM Yacht shipyard in La Rochelle. The architect Marc Lombard and his team have given this boat a good look with its inverted bow, lively chines and tapered roof. The hull of a boat it is high-performance and very stable for all weather conditions. The single rudder keel version allows you to take advantage of the many beaching areas in Southern Brittany. It also has a long bow sprit it to carry a large asymmetrical spinnaker for great downwind sensations.

The interior of the boat is simple and very bright. The large windshield forward of the saloon provides a lot of light and a view forward from the chart table or kitchen. There are two double cabins and 2 berths in the saloon.

You'll have a great holiday on this fantastic fast cruising sailboat !

Characteristics

Building year : 2024
Type : Monohull
Length : 10,70m
Width : 4m
Draft : 1,68
Lest type : Twin keel, agrounded
Yacht category : A
Security : Middle shore
Flag : Français
Hull color : Blue
Bedding : 6
Squarish beds : 2
Double-bed cabin : 2
Bathroom : 1
