Resume

Voted Sailboat of the Year 2022, the JPK 39FC joins the Iloria Bretagne fleet!

Designed by talented naval architect Jacques VALER, the JPK is a regatta-style boat with all the marine qualities of a cruiser.

The collaboration with Jean-Baptiste DEJANTY undeniably brings a streamlined style to this design.

We are pleased to offer for charter this award-winning yacht from the famous Lorient shipyard.

Combining comfort and performance in a unique balance, you'll sail aboard a sleek, safe and bright yacht whose ergonomics have been designed for both racing and cruising.

A powerful, resolutely modern hull, topped by a futuristically designed coachroof, make this a boat that's tolerant of all points of sail and delivers optimized speeds in all sailing conditions.

"Sober yet efficient" is the watchword on deck.

- Cockpit comfort and ergonomics
- Perfectly equipped, uncluttered gangways and foredeck
- Balanced sail plan, clean helm for greater maneuverability

The cockpit table provides a comfortable place to rest while sailing, while offering a "deck saloon" space in port or at anchor.

A wide, shallow companionway provides safe access to a bright interior with panoramic views. Numerous wooden elements create a warm atmosphere.

The cockpit table provides a comfortable place to rest while sailing, as well as a "deck saloon" in port or at anchor.

A wide, shallow companionway provides safe access to a bright interior with panoramic views. Numerous wooden elements create a warm atmosphere.

The chart table with its electronic equipment is extended by a galley along the planking, which is both functional and offers ample storage space.

On the port side, a convivial saloon and a spacious double cabin forward.

Two cozy, comfortable aft double cabins and a practical, accessible head.

Marine qualities combined with on-board comfort make this modern, high-performance boat an exceptional sailboat.
