Resume

The RM1380 is an exceptional boat, elegant and stylish, the ideal sailing yacht for crossing the Atlantic or circumnavigating the globe in the best conditions of speed, safety and comfort.

Inspired by offshore racing yachts with its wide hull, raised bow and slender sail plan, and following in the footsteps of the fantastic RM1180, voted yacht of the year in 2019, the RM1380 is irresistibly appealing.

The RM 1380 combines comfort, elegance and functionality: this monohull has everything you need for your next cruise. Cosy sofa, rectangular mattresses, U-shaped galley. Every detail has been designed to make life on board comfortable.
