Skipper word

I bought this boat with the aim of doing an offshore sailing trip in spring 2022. The programme includes the Azores, the Canaries and Madeira for a three and a half month trip.

Resume

The Ovni 345 is designed for ocean cruising. It has 3 cabins and can accommodate up to 8 passengers. Its robust aluminium construction and well-dimensioned fittings make it a very safe boat. With its very shallow draft, it can go anywhere and land in well-protected harbours for the duration of a tide. In 2022, she was fitted with solar panels and a releasable staysail stay to enable her to sail offshore.

Caracteristics

Building year : 2003

Type : Monohull

Lenght : 10,93m

Width : 3,62m

Draught : 2,1 - 0,8 m

Lest type : Sailing Dinghy, agrounded (The keel is raised by a hoist system. The rudder is operated hydraulically. The boat is easy to land on its bottom and is perfectly stable.)
