Resume

Lightweight cruising yacht, well covered and groundable. This boat, built during the winter of 2019-2020, was delivered to Lorient Kernével at the beginning of May 2020.

The panoramic roof offers a view forward from the saloon, which is very pleasant and reassuring when sailing.

The jib makes this boat easy to handle, even with a small crew.

Built in Brittany at idbmarine.

Characteristics

Building year : 2020
Type : Monohull
