Nom du bateau : New 2025

Location : Lorient

À vendre (neuf)

252 949 € inc. taxes

Funding

LOA or traditional credit financing. Possibility of lease management at our Kernével base.

Resume

The Dufour 37 was presented to the public for the first time at the end of 2022. It replaces the Dufour 360 and is part of the renewal of the Dufour range of sailing yachts. Like the rest of the current Dufour range, it has an infusion hull to control weight, make the boat more solid and protect the environment.

Thanks to an optimisation of space and a bow designed for greater volume forward, the Dufour 37 offers a very spacious forward owner's cabin, with good headroom. The 3 double cabins and convertible saloon can accommodate up to 8 people on board. The performance version of the rig has been designed to give you more thrills and more control. It also has central heating, which is very useful for mid-season cruising or travelling north.

The interior of this model is bathed in light thanks to the large central hull portholes and the glazed roof.

The Dufour 37 benefits from the major innovations that have made the latest Dufours such a success: the layout of the delphinière, the large windows in the deck and hull, and the layout of the exterior spaces, which make it easy to move around the deck of the boat. You'll also enjoy a cockpit that's larger than on other yachts of this size.

Caracteristics

Building year : 2025
Type : Monohull
Lenght : 10,77m
Width : 3,80m
Draught : 1,9
